SPACE is beautifully created to provide anyone involved in hotel design, development and architecture with a window onto the exciting and continually developing world of international hotel design.

Produced quarterly by the publishers of Hotel Spec, the world's leading resource guide to hotel design architecture and development, SPACE is a natural extension to this iconic brand.

SPACE magazine’s editorial team look at hotel projects from around the world, highlighting ground-breaking ideas and creativity, innovative architecture and brilliant design. SPACE provides real insight into what is happening currently and what is likely to happen in the future in terms of hotel interior design, architectural trends and project development across the globe.

Showcasing hospitality projects from all over the world, Space talks to the individuals responsible for their commissioning and delivery. SPACE looks at design trends and examines the factors and commercial realities that influence and define international hotel design and development.

GREAT DESIGN ENABLES ALL THESE THINGS

IN SPACE
Editorially SPACE covers all aspects of international hotel and hospitality design including; case studies, project reviews, interviews, news, products and development data. Each issue includes the following:

PEOPLE NEWS (WHO)
News about who's on the move, new practices, new roles, new staff and new companies SPACE keeps you abreast of the personality movements across the market.

PROJECT NEWS (WHAT)
A heads up on what is happening in the sector in terms of new project developments and what is in the pipeline.

FUTURE SPACE
Previewing new and future hotel development projects from around the world, with visuals and illustrations of the most exciting, innovative and challenging projects to break ground and about to break ground.

HEAD SPACE
SPACE interviews leading hotel architects, designers, hoteliers and developers. We talk to the key individuals whose personalities, energy and drive provide the creative force influencing global hotel design and development.

SPACE PROJECTS
Project reviews and case studies of a vast range of completed projects from across the globe. Focussing on the most interesting and innovative openings and refurbishments, each review is beautifully illustrated with great photographs and descriptions.

“We forecast global hotel real estate transaction volume will reach $65 to $68 billion in 2015. This represents a 15% increase on 2014 levels and the third-highest annual total on record”

JLL Hotel Investment Outlook
GEOGRAPHIC REPORTS (WHERE)
Reports and information from the areas and regions that are currently driving hotel design activity with assessment and analysis on where the next hotspots are likely to emerge.

KEY DATES (WHEN)
A timeline of activity and events that will shape the market including: commissioning, openings, conferences, expo’s and anything whose timing can affect the market.

SPACE FF&E PRODUCT FOCUS
In each issue we shine a spotlight on specific product ranges including: Furnishings, outdoor and casual furnishings, art, wall-coverings, surfaces and mirrors to name but a few. These features provide a brilliant opportunity for manufacturers to advertise products and to highlight their involvement in major projects.

AREA FOCUS
In every issue, SPACE puts the spotlight on an area of the hotel that we think needs extra attention. This includes Bathrooms, Guestrooms, Pools and Spas, Lobbies and, new of this year, Bars and Restaurants. This provides the opportunity to showcase the most groundbreaking, beautiful and impressive design solutions within these areas of the hotel.

“Europe, the Middle East and Africa (EMEA) will continue its forward stride with a projected $24.5 billion in hotel trades”
