

SPACE

INTERNATIONAL HOTEL DESIGN

DECISION MAKERS

In just five years, SPACE magazine has become an industry leading publication for insight and knowledge of the latest hospitality projects from around the globe.

Aimed at the UK, European and MEA markets, clients benefit from being able to attract enquiries from relevant and active trade audiences.

Listening to clients and understanding their requirements and products means we are able to provide a competitive and proactive campaign to get your name and brand recognised and supported within the hospitality industry.

The circulation of SPACE is controlled. This means that recipients have to match a strict criteria before they can receive free copies. This ensures copies are only sent to people who actively specify or influence specifying decisions within luxury hotel projects. By maximising the value of your advertising budget and delivering a strong return on your investment, SPACE will help you reach those all-important key players that you, as a supplier to the hotel sector, need to reach.

In addition to our controlled circulation and paid subscriptions, additional copies of SPACE are presented at leading trade shows, events and exhibitions taking place around world:
